INTRODUCTION

Nepal International Trade Fair (NITF 2023) brings multitude of Nepalese and international business enterprises under one roof, allowing them to interact with local and international customers providing them better business opportunities.

This event aims to provide Nepal's International trade and enhance the growth of Nepalese exportable product base, focusing on Nepal Trade Integration Strategy (NTIS) identified products. NITF creates one-stop platform for international participants to showcase their products and services among the Nepalese buyers, sellers and customers.

HIGHLIGHTS

- Linkage with the market of over 26 million people.
- Cost effective promotion platform for new concepts, ideas, products, services and technologies.
- One stop sourcing platform for wide range of products crafts to Industrial practices.
- Opportunities of technology and skill transfer between Nepalese and international participants.
- Exploration of investment and joint-venture opportunities.
- Better opportunities for B2B and B2C connectivity.
- Most effective seminars/talk programs on relevant topics.
