FNCCI HISTORICAL FACTS

Background:

The chamber Movement in Nepal kicked off after 1950 (2007) revolution which ended the hereditary rule of Rana Prime Ministers. In the 1950s, businessmen's Associations and Chambers came into existence in many towns including Kathmandu, Birgunj, Biratnagar, Butwal etc.

But there was no national body which could unite the business community and provide leadership to the Chamber movement. Many in the business community felt the need of such body and voiced that in the meetings and programs of various chamber bodies.

The Dreamers:

For any Association to be formed we need Dreamers. The Dreamers of national umbrella body of the business community included the business leaders of the day like Loknath Joshi, Juddha Bahadur shrestha, Indra Bhakta Shrestha, Raj Bahadur Chipalu, Gopal Rajbhandari, Gopal Man Shrestha, Kumarmani Dixit, Gehendra Dev Pathak and many more.

Inception:

The Nepal Chamber of Commerce, the Kathmandu based organisation of the community was in the limelight in bringing together the business community. Voices were raised and the leadership was pressed for such initiatives in the meetings and programs of the Nepal Chamber of Commerce. The then King Mahendra who had just installed Panchayat system and was actively seeking support from various segments of the population also lent some support to the idea.

On the initiative of Nepal Chamber of Commerce and with support from the Ministry of Industry and Commerce of then His Majesty's Government of Nepal, a national conference of trade and industry (Pratham Banijya tatha Audyogik Sammelan), the first of its kind in the country was organized on 26-29 December 1965 (Poush 11-14, 2022) at the hall of Department of Mines at Lainchour in Kathmandu.

The Infrastructure

The infrastructure for operating the secretariat of the organisation has undertaken drastic changes over the years. The federation started to operate from a room provided by Nepal Bank Limited in its head office at Juddha Sadak. It shifted to Meera home in khicha Pokhari in 2069(2026 B.S.) where it rented a floor and remained there for 13 long years till 1982(2039 B.S.) BS. It then moved to a separate rented house in Tripureshwar. As the space became insufficient it rented 2 floors in adjacent house. Then in 1993(2050) it shifted to TNT building at Teenkune renting an entire floor of that building where it remained till April 1995.

The Secretariat finally shifted to its own building in Teku in April 1995. Since then It has added 2 floors including a modern conference facility and its own parking space for more than 40 vehicles.

FNCCI
The Tenure of 18th President
(2017 - 2020)

**Few Words from President
Bhawani Rana :**

I had the opportunity to serve the Federation of Nepalese Chambers of Commerce and Industry (FNCCI), an umbrella organization of the private sector, for more than 13 years.

I entered the federation as a member of the executive committee during the tenure of 2008-2011 and was elected as a vice-President in 2011, Senior Vice-President in 2015 and ultimately President in 2017. During this period, I had opportunities to learn a lot while working with the government and non-government agencies within and outside the country. Moreover, I feel honored of getting opportunity to lead successfully the apex body of business and industry in the country, which was not possible without support of the past presidents and senior members of FNCCI whose contributions have established the federation as the powerful institution representing private sector. To add more, me and my team members together have put our best efforts to further interests of private sector at national and international fora.

In an attempt to document the activities carried out during the tenure of my presidency, **FNCCI The Tenure of 19th President** has been published. Hope this publication would be a mirror and reflects all efforts done by me and my team. I would like to express my heartfelt gratitude and acknowledgement for the support that I received during my tenure from all federation leaders, my team members, member organization leaders, government officials, Development partners, Diplomats, entrepreneurs, media, FNCCI secretariat staff and all my family members.

Finally, I would like to express my full commitment to continue my efforts in promoting private sector's interest and also would like to express my best wishes for the progress of the FNCCI in coming days.
